Program highlights and description

Babu Philip is a well established entrepreneur and marketing professional. He explained his the importance of having problem solving skill for an entrepreneur. This skill leads to business ideas. According to him the solution we found should be sustainable. If not, the business will not run successfully after a period. He trained students how to identify and sort out a problem by various physical activities. He divided students into various groups and assigned various tasks related to business plan development. students actively participated in those activities. He also conducted group discussion session among students to train how a solution is evolving when different personals joins together as a team.

Program Outcome

- Students realised the importance of critical thinking
- Students got an understanding about various business opportunities and how the problems leads into business solutions
- Got trained for team activities
