## **Program highlights and description**

### **National Science Day 2022**

National Science Day commemorates the discovery of the Raman Effect by Dr C.V. Raman, for which he won the Nobel Prize in Physics. Every year, on this particular day, the Government of India felicitates scientists from various fields for their valuable contribution to science. National Science Day's main objective is to increase awareness among people about the importance of science and technology in their lives.

National Science Day is celebrated every year on February 28 in the country to celebrate the discovery of the 'Raman Effect. India's great scientist, CV Raman, invented the 'Raman Effect' on this day and won a Nobel Prize for the same.

The National Council for Science and Technology Communication (NCSTC) proposed to the central government that National Science Day should be celebrated on February 28 every year to mark this discovery. After that, the Government of India accepted that proposal, and the first National Science Day was celebrated on February 28, 1987.

### **National Science Day 2022 theme:**

The theme of National Science Day 2022 is 'Integrated Approach in Science and Technology for a Sustainable Future'.

### **National Science Day Celebration:**

The celebration of National Science Day consists of public speeches, science movies, science exhibitions, events based on science themes, concepts, and many more activities.

Nirmala College of Pharmacy has organized Nirmala Pharma Exhibition 2022 for the school students to make aware about the National Science day and Awareness about the pharma Filed and its Innovations.

### **Objectives :**

National Science Day's primary objective is to ignite an interest in science, inspire people, especially students, to perform new experiments, and make them aware of the latest developments in science and technology. Several scientific activities and programs are organised on this day.

### **Program Outcomes :**

The main purpose of celebrating National science day is to spread the message of the importance of science and its applications in everyday life among people.

### **Registration and feed back**

The registration and feedback are made through google form.
