Program Details

Programme Title: “Awareness Programme on Intellectual Property Rights”

Category: Self Driven Activity

Theme : IPR

Date : 17th February 2021

Topic covered : Patent

Session Time: 2:00P.M. to 3:30 P.M.

Registration Link: <https://forms.gle/vdgF3hFCA2uyJSDZA>

Feedback link : <https://forms.gle/VViHqvyDbhTVt6m27>

You tube Link : https://youtu.be/eLrP_I9covA

Total Number staff and students Participated: 183

Speakers Detail

Mr .Anumod S

Examiner of Patent Design

NIPAM Officer

Patent Office Chennai Tamil nadu

Program highlights and description

Intellectual Property Rights (IPRs) are a set of exclusive rights protected by law which are accorded to creators or persons over their creations for a certain time period. An IP right holder can realize value from its intellectual assets through utilizing it internally for its own processes or share it externally through provision of goods and services to customers. The latter can be achieved through legal mechanisms such as licensing or assignment.

In today’s globally competitive environment, intellectual property has placed itself on a pedestal in the context of economic growth and is becoming increasingly important. Intellectual Property (IP) is the fuel that powers the engine of prosperity, fostering invention and innovation. The increasing significance of intangible assets in the global economy is forcing business organizations to actively manage their IP as a key driver for building and sustaining their competitive advantage and achieving superior performance.

Objective

The objective of this Awareness Programme is to sensitize the Industry, R&D Organisation, Scientific Department and Educational Institutions about the growing need for promotion and protection of the intellectual assets, in the form of Patents, Designs & Trademarks and Geographical Indications, of inventors & creators from misappropriation by third party without their authorization.

Outcome

Enhanced IPR awareness amongst the citizens of the country would result in an increased IP portfolio of the country – this would mean an increase in the IP's generated domestically, increased competitiveness of the Indian industry both domestically and globally as well as economic growth.

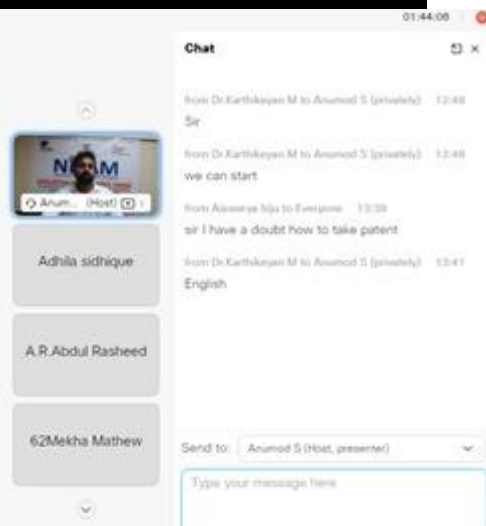

Registration and feed back

The registration and feedback are made through google form.
